

Anyone like FREE MONEY?

Well, that's what BoxTops for Education are!
We collect them, then we get MONEY.
It's that simple.

The hard part...getting Middle Schoolers to take it seriously.

All BoxTops submitted at the Middle School will be accounted for based on the grade of the child who submits them. During the classes 8th grade year, all BoxTop money collected will be used to help fund the costs associated with the 8th grade.

So, current 5th graders will have 4 years to help with their 8th grade costs...one BoxTop at a time.

Here's the count from last school year:

2011 6 th graders	\$16
2011 7 th graders	\$111
2011 8 th graders	\$43

Here's what to do:

1. Collect the BoxTops in a Ziploc/envelope.
2. Label with your child's current grade (no name needed, this is a team effort)
3. Bring 'em in! There is a BoxTop container outside the MS main office
4. **NOTE:** ANY BOXTOPS SUBMITTED WITHOUT A GRADE DESIGNATION WILL AUTOMATICALLY GO TO THE CURRENT 8TH GRADE.

Visit www.boxtops4education.com for more information on the Box Tops program, and a complete list of participating products.
